

# The Case for Heaven

## Short Synopsis:

We all want to know what happens after we die.

In THE CASE FOR HEAVEN, best-selling author and investigative journalist Lee Strobel searches for answers to the most profound questions we all have, about heaven, hell, and Near-Death Experiences. As he explores the evidence of the afterlife, he dares to probe the most important question... if there is a heaven, can we prove it?

In theaters only April 4, 5 & 6.

## Long Synopsis:

We all want to know what happens after we die.

In THE CASE FOR HEAVEN, best-selling author and investigative journalist Lee Strobel explores the evidence for the afterlife in order to address man's biggest fear: death.

Inspired by his own brush with death, Strobel searches for answers to the most profound questions we all have, about heaven, hell, and Near-Death Experiences.

Featuring interviews with experts and skeptics, THE CASE FOR HEAVEN will challenge, encourage and inspire as Strobel dares to probe the most important question.

If there is a heaven, can we prove it?

THE CASE FOR HEAVEN in theaters only April 4, 5 & 6.
